THIS IS AN INTERNAL JOB POSTING

There are 14 positions available (2 positions at each school and 2 Administrators)

Applications due June 13, 2025

The D-Y Diversity, Equity, and Inclusion Team will focus on issues regarding equity within our schools. The purpose of this group is to provide direction, support, and oversight for the District's work to become a more equitable school district. The members of this team will look at equity issues, confront students as well as staff, support school administrators, and advise district leaders around equity issues. Our charge and goal for this first year will be to learn, analyze, and help guide the District's work on Diversity, Equity, and Inclusion. We will also develop a district-wide definition of educational equity. Once developed, we will create ways to promote that definition across the community. Although this is a district-wide effort, it is our intention to develop subcommittees that will allow us the flexibility to go more in-depth on specific issues. Possible subcommittees are:

Curriculum Development;

Professional Development;

Family Engagement;

Sense of Belonging for All;

Hiring and Retention.
